**INFORMATION DISCLOSURE STATEMENT**

Sir:

Applicants submit to the Examiner the attached document listing and this paper pursuant to 37 CFR § 1.56 and § 1.97-1.98. The forms are attached and copies of the documents are enclosed herewith. According to 37 CFR § 1.98(d), Applicant has not enclosed copies of any US patents or publications.

Because this Information Disclosure Statement is submitted with the submission of a Request for Continued Exam no fee is believed due (37 CFR § 1.197(b)(4)).

The Director is hereby authorized to charge any deficiency in any fees due with the filing of this paper or credit any overpayment in any fees to our Deposit Account Number 08-3040.

**REMARKS**

Listed below is a co-pending, US Patent application. This application and the present application are commonly owned:

US Patent Application No. 11/605,689 filed November 29, 2006

The month of publication for document AB could not be determined. The year of publication for this document is sufficiently earlier than the effective US filing date and/or the foreign priority date of the present application so that the particular month of publication of the document is not in issue (MPEP 609).

The Examiner is respectfully requested to consider the attached documents identified in this paper and in the attached forms during the course of examination of this application.

Respectfully submitted,
